Please complete the Debit Order Mandate attached to this form, and send it to us.

B EFT and mobile banking

EFT is a payment that occurs via the internet. It is a quick and safe payment method that can be done from the comfort of your home. Mobile banking works in a similar way to an EFT, as the funds are sent electronically. Simply **add Oxbridge Academy as a beneficiary** by using the bank account details provided on the right.

D ABSA ATM cash deposit

For cash payment at your nearest ABSA bank use the bank details on the right.

Note:

ABSA and other financial institutions prefer cash deposits to be made at the ATM, instead of at the teller, as handling cash is a very high risk. To compensate for this risk, they levy Oxbridge Academy very high cash deposit fees that start at R30 per deposit. Therefore, we urge you to rather use the ATM for cash deposits, as we reserve the right to pass the **cash deposit penalty fee of R30 to your account.**
