ADDENDUM B: EXAMINATION RULES

CANDIDATES MUST ADHERE TO THE FOLLOWING INSTRUCTIONS:

1. You must report at the examination centre at which you will be writing the examinations at least a week before the start of the examinations to sign off your NSC personal timetable with the Chief Invigilator.
2. You must produce your personal timetable and proof of identity every time you report for an examination session.
3. You must be seated at least thirty minutes before the starting time of a session as indicated on the timetable.
4. Only in exceptional circumstances will you be admitted to the examination room after the commencement of an examination session, but never after an hour has passed. If you are late, no additional time will be given.
5. No explanation of examination questions may be asked for or given to others.
6. Under no circumstances will you be allowed to remove either a used or unused answer script from the examination room.
7. Once you have completed a paper, you must leave the answer script(s) on your desk for the invigilator to collect. If it is more than 15 minutes before the end of the session, you may raise your hand to draw the attention of the invigilator. Once your script(s) has been collected, you must leave the room immediately, except if it is collected within the last 15 minutes of the session.
8. Under no circumstances will you be allowed to take an answer script or a sheet of paper with you when leaving the room and then return to hand it in. The script or sheet of paper will be marked "invalid" and will not be marked.
9. You are not allowed to assist or try to assist another candidate in any way. You are also not allowed to ask another candidate for assistance or accept such assistance if offered to you. All questions must be directed to the invigilator.
10. You may not cause a disturbance or behave in an improper or unseemly manner.
11. You may not disregard the instructions of the invigilator.
12. You may not take a book, memorandum, notes, maps, photos or other documentation into the examination room. Only your personal timetable and identification document will be allowed.
13. You are not allowed to take a cell phone or other electronic device into the examination room, except a non-programmable calculator if required by the specific paper. Any such items must be switched off and handed in before the start of the session. If you do not obey these instructions, you render yourself liable to suspension from the current and future examinations and SACAI may in such an event refuse to give you credit for other examination papers written.
14. Any errata on a specific examination question paper will be read to you by the invigilator.
15. 10 minutes before you start writing, you will be allowed to read the question paper. You are not allowed to start writing or to make notes during this time.
16. No gum, sweets, water or cold drinks are allowed into the examination room, except if permission is given by the invigilator because of specific reasons. (For example: in the case of a diabetic).
